The support and guidance of LPCS has helped very much. I don't think I would have accomplished what I have anywhere else.

Volunteer Spotlight on Jessica Howe

Name: Jessica Howe

Birthplace:

Occupation: Graphic Designer

How I got involved with LPCS: About three years ago I decided I wanted devote some of my free time to a local organization. Thanks to the website volunteermatch.com I found that LPCS was looking for people to join their Metamorphosis Party Committee. After looking into the organization a bit more, I was so impressed with the shelter and the wonderful services they provided in the neighborhood. That added to the fact that I am an event planner by profession made it the perfect fit! Since then I've tried to get involved in other areas at the shelter as well and have loved it!

Length of time LPCS volunteer: 3 years

What I like best about volunteering at LPCS: All of the guests are always so appreciative! There is NEVER a shortage of thanks and gratitude from the guests. Each and every time I leave the shelter, or a shelter event, I leave knowing that my work was appreciated and that makes the work completely worth it! [To keep reading, click](#)
